Dear Youth Archers, Coaches, Parents, Guardians and Venue Managers;

In anticipation for the annual FESTA Tournament, we would like to prequalify all competitive youth archers borne after January 1, 1999, before the Sports FESTA Organizers' announcement / confirmation of holding the event, to avoid the last minute rush that we face every year, due to the short notice from the Organizers.

To brief the new comers on what these qualifiers are all about... Every year, Benel Archery in behalf of Win&Win Archery, Seoul Metropolitan Government, Seoul Sports Council and Seoul Archery Association, conducts nationwide qualifiers to select 4 Top Girls and 4 Top Boys archers to represent the Philippines in Seoul International Sports FESTA competition in Seoul, Korea.

In the past, the organizers offer "FREE" Board and Lodging for two teams of 4 archers and one coach or as further described below.

One Boys Team – Includes 1 Coach and 4 Boys

One Girls Team – Includes 1 Coach and 4 Girls

Awards & Benefits – FREE, hotel accommodation, meals and transportation from Airport to Hotel and Hotel to Venue only. Round Trip plane ticket and side trips are not included.

Simultaneously, this year, as Organizer of FESTA Qualifier in Philippines, Benel will exercise the option to reserve one slot from each gender, or two slots in total, for a promising archer and top archer who somehow miss the qualifier.

In the event, Benel did not exercise the option within reasonable time; these two slots will be given back to the 4th finisher of each gender.

Additional Entries – The Organizers can accept additional individuals and teams more than the quantities specified above. These additional individual archers, teams and coaches are not entitle to the rewards and benefits mentioned above but must register, pay registration fee and related fees before the deadline and must stay at the Organizers’ designated hotel, and they will be accepted as an entry. However, registration is on a “First Come First Serve” basis.

The FESTA Qualifiers will be held on Saturday, April 30, 2016, simultaneously in all venues.

Entry Fee for the local FESTA Qualifier is Php-500 per Archer. You can pay upon arrival at the venue, although paying in advance will guarantee that you have a slot.

Deadline for registration is April 23, 2016. Late entries may be allowed to shoot but not a guarantee. Please check with the venue managers of your location.

The Tournament format shall be two rounds of 60 meters distance.

Benel medals will be awarded to winners of the Qualifying round in the Cadet division only. While the Olympic round and other discipline are optional and will be decided by the venue managers. Please consult your venue managers.

More updates about the Seoul 2015 FESTA tournament will be released when they become available from the Organizers.

Best regards,
Benel Archery
